Skills

- Eager on updating knowledge and learning more about the latest developments in medical science.
- Commitment towards caring for patients and providing them with best medical services
- Skilled at interacting with patients in a friendly manner and encouraging them to discuss their medical condition openly.
- Capable of accepting responsibility towards patient's health and well being.
- Thorough knowledge of medical laws/ ethical standards, safety measures and hygienic practices.

CAREER OBJECTIVE:

- To secure the position of a junior doctor and provide healthcare services to patients, using my knowledge in medical science.
- To learn by observation and experience from senior doctors.
- To gain experience and enhance abilities in meeting the healthcare needs of our society.

Experience

03-2016 -

Internship

03-2017

Amrita School of Medical Science, Elamakkara, Kochi

WORK EXPERIENCE:

Worked as an intern at Amrita Institute of Medical Sciences, Kochi from March 2016-2017.

These were some of my responsibilities:

1. Communicate with the patients and make them feel comfortable enough to express their health problems.
2. Take thorough history and perform preliminary examination of patients for diagnosis.
3. Fill up the medical chart by providing details of the vital medical statistics of the patient during the checkup.
4. Conducting appropriate medical tests under guidance of senior doctors.
5. Monitor the tests and note down the results on a medical chart.
6. Observe the patient's state of health during the treatment and ensure it moves towards improvement.
7. Perform immediate initial examination and provide first aid to the patients who come in with injuries following accidents.
8. Accompany the team of medical practitioners during their visits to medical camps.
9. Speak on common health problems and its prevention at awareness camps.
10. Visits to orphanages, Anganwadis and old-age homes to provide basic health care and create awareness regarding healthy diet, menstrual hygiene, vaccination, breast-feeding, geriatric diseases and supportive care; with specific focus on correcting common false myths regarding the same.
11. Administer medicines and vaccinations to the patients under the guidance of the chief doctor.
12. Engage in discussions on medical cases with the senior doctors and suggest treatments best suited to the patient's condition.
13. Attend seminars to learn about the latest medical discoveries.
14. Avid reader of articles on Medscape, UptToDate and WebMD for updates in the field.

EXTRA-CURRICULAR ACTIVITIES:

1. Participated in poster-making competitions on common healthcare issues and their precautionary measures.
2. Creative writing.
3. Reading books - fiction & non-fiction.
4. 10 years of training in classical dancing.

Education

09-2011 -

Amrita School of Medical Sciences, Kochi

03-2017

Achieved MBBS degree from Amrita School of Medicine, Kochi.

Completed one year of CRRRI at Amrita School of Medicine.
