## Professional Summary

A focused, conscientious and physically fit individual who has a long track record of successfully identifying, planning, implementing and evaluating the nursing care requirements of patients. I am able to demonstrate a consistently high standard of nursing care and able to contribute to the continuing development of professional nursing practice in any clinical environment. As a confident, outgoing person I have no trouble communicating with and guiding all levels of staff within the Care sector. I am keen to join a reputed hospital in Germany to have international exposure and hands-on experience in the field of nursing and Patient care as a gateway to a meaningful nursing career.
