---

---

**STAFF NURSE – POST OPERATIVE ICU**

PVS MEMORIAL HOSPITAL

KALLOR

NOV 2015 - NOV 2017

As a REGISTERED STAFF nurse in POST OPERATIVE ICU of the 250 bedded multispeciality hospital in the country, I am responsible for the care and management of the patients reviving from many complex surgical and diagnostic procedures. With expertise in airway management, basic and advanced cardiac life support, I am also skilled in pain management, care of surgical wounds and drainage catheters.

Primary responsibilities include:

- Immediate post operative care of surgical patients.
- Practice in accordance with legal, ethical, culturally safe and professional standards.
- Foster the provision of positive patient outcomes and person- centred care.
- Collaborate and communicate with multidisciplinary team to achieve best health outcomes.
- Identify situations of clinical risk and take appropriate action to ensure a safety to the clients.

#### **TRAINEE NURSE - SURGICAL ICU**

MOSC MEDICAL COLLEGE  
KOLENCHERY  
OCT 2014 - OCT 2015

Being able to work in the intensive care unit of a multi-specialty hospital conforming to international standards and focused on Laparoscopic and Endoscopic Surgeries, Accident and Trauma care, I am capable to provide state-of-the-art treatment and patient care for all types of surgical emergencies and tertiary medical care.

- Managed immediate post operative patients, critically ill surgical patients as well as trauma patients. .
- Liaised between patient family and physician to ensure their comprehension of treatment plan.
- Developed and implemented nursing care plans.
- Demonstrated ability to lead and motivate outstanding health care team.
- Followed infection control protocol.

#### **EQUIPMENTS USED**

- ventilator
- defibrillator
- cardiac monitors
- suction apparatus
- syringe pump
- infusion pump
- nebulizer
- glucometer
- ECG machine
- Oxygen apparatus
