TO

COVER LETTER

Respected Madam/Sir,

Title: Job application for Emergency Medical Technician. As a graduate of Emergency Medical Technology Programme and possessing experience to work well with high risk patient, I am confident in my ability to work extremely well for the patients and staff at your facility. I am skilled in providing advanced level of emergency care to patients. My comprehension of both anatomy and physiology assessment patient assessment and evaluation which is the basis of all emergency procedures. Additionally I am proficient in managing basic advanced life support with my extensive experience and skills; I have much to add to your facility in terms of expertise in emergency care and acute patient management..

I wish to work in your hospital, as I believe working in your hospital will give me lot of experience. Here, I attach my resume with The Following Details. Thanking you for taking time out of your busy schedule to consider my application.

Sincerely,

Rijo John Joseph.
