- Ensure the progress of site works.
- Provide Instructions to the workers.
- Co-ordinate with the supervisor.
- Site inspection.
- Provide proper supervision on the site works.
- Coordinate with line management.

EDUCATIONAL QUALIFICATION

- **2018 (UK)** **NEBOSH IGC (level 3) in occupational safety and Health**
(Waiting for result)
- **2018** **IOSH Managing safely (UK)**
- **2018** **Medic First Aid International (HABC)**
- **2017 management** **Diploma in construction and engineering**
Training Completed : NDT level 2, Piping and pipeline, Safety
- **2013-2017** **B.Tech Mechanical engineering**
University of Calicut, Kerala, 673635, India
- **2010-2012** **Higher Secondary School**
Kerala Higher Secondary Board, Government of Kerala, India

ACADEMIC PROJECT

- "THREE SIDE DUMBER" (Main project)
Material handling in construction and civil works is one of the basic problem and the conventional trailer can unload in only one direction. So, we introduce a new technique, In this system we can unload the materials in three direction with the help of three pneumatic cylinders. This mechanism prevents blocking of roads and save time and cost.
- "AQUA SILENCER" (Mini project)
The main contribution of the air pollution is automobiles releasing gases, in order to reduce these types of gases we can use aqua silencer. This is fitted to exhaust pipe of the engine. This system is used to reduce pollution and noise of automobiles using charcoal and water and there is no use of catalytic converter.

PROFESSIONAL SKILL & EXPERIENCE

- Work co-ordination
- Planning and execution

- Managing of site works and labours
- Ensuring compliance with all required legislation, practices and relevant standards.
- Participate in tool box meeting with supervisor and deliver important messages to workers
- Practical Experience of Fire fighting/handling of Chemical Spillage and providing fire extinguisher usage also.
- To develop the safety procedures like Emergency Preparedness and response, Evacuation route, Environmental Aspects with their Evaluation, Fire Drills, work permit Procedure.
- To implement the hot & cold work permit procedure to prevent the accidents/ incidents to ensure the safe working environment.
- Undertaking risk assessment and site inspections
- Ensuring that equipment is installed correctly and safely
- Identifying potential hazards
- Determining ways of reducing risk
- Practical Experience to ensure the use of Personnel Protective Equipments (PPE's) by the employees during work
- MS word
- AutoCAD

AWARDS & SCHOLARSHIPS

- **Merit cum Means Scholarship**

Scholarship provided by government of India for talented Engineering Students (2016)

LINGUISTIC SKILLS

- Mother tongue: Malayalam
- Other Languages:
 - English: Excellent communication and writing
 - Arabic: Intermediate Level
 - Hindi: Intermediate level

PERSONAL DETAILS

Gender	:Male
Date of Birth	: 06 th December 1994
Nationality	: Indian
Marital Status	: Single
Passport No	:R2266617

Date of issue :18/08/2017
Date of expire :17/08/2027
