EXPERIENCE

2017-11-2018-09

Program coordinator *VOLUNTEERING JOURNEYS*

- Organising and getting involved in project work - this includes going to the project site with the volunteers and assisting them there .e.g. Teaching projects, women's projects or medical projects
- Liaising with local partners in schools/hospitals - advising them on upcoming volunteers, their backgrounds.
- Assist the new volunteer arrivals to help run the orientation and training on arrival
- Keeping records of how the projects are progressing and what is being done on the projects
Coming up with new ideas for things to do on the project and utilizing the skills of volunteers.
- Ensure that volunteers are abiding by the Volunteer guidelines.
- Support the volunteer house: checking chore duties are complete, hygiene standards are maintained.
- Deal with complaints, problems, and issues
Helping to assist in development of projects
Act as an enthusiastic role model.

2016-08-2017-03

RESIDENTIAL SOCIAL WORKER *SEVAGRAM SPECIAL SCHOOL*

Monitor the child's particular needs and give them personal, emotional and social support: by providing sporting, creative and leisure activities, setting boundaries to behavior, ensuring their safety and acting as a good role model. Provide supervision and intervention as needed as they model positive relationship skills by joining students in the completion of daily living tasks as well as other recreational and therapeutic activities
