PROFESSIONAL PROFILE

Clinical Pharmacist with 1 year of experience in a JCI and NABH accredited hospital in Gurgaon, Haryana looking for an opportunity to serve and to be associated with a progressive organization that provides opportunities for challenging and rewarding career by applying my knowledge, skills and potential.

A Registered pharmacist in Kerala State Pharmacy Council with a Register number: 57327.

CAREER SUMMARY

**27/01/2017 – 30/01/2018 MEDANTA-THE MEDICITY, GURGAON, HARYANA.
Clinical Pharmacist, Clinical Pharmacology Department**

Outline

Provided a consistent process of patient care that ensures the appropriateness, effectiveness, and safety of the patient's medication use.

Key Responsibilities

- Provide and develop a Clinical Pharmacy service to a variety of Medical and Surgical specialities.
- Participated in consultant ward rounds, where feasible, providing clinical and financial advice as appropriate.
- Act as a source of specialist advice and information and support medicines information for inpatient specialities.
- Participated in antibiotic stewardship programmes and ensure a safe use of antibiotics.
- Responsible for checking the drugs to impress stock, crash cart, disaster kits regularly.
- To work with the multidisciplinary team and educate patients/nursing staff about prescribed medication regimens (inpatients and discharge) with the aim of improving compliance.
- To achieve medicines reconciliation processes and enhance patient safety at ward level.

- Monitoring of adverse drug reactions, drug interactions and medication errors in an inpatient setup.
- Check for the appropriateness of the therapy and any untreated indications.
- Medication review and clinical audits on the floor such as all the in-patient orders for drug name, strength, formulation, dosage and duration of therapy, therapeutic duplication and to check for possible drug interaction, if any as per hospital protocols.
- Checking the Chemotherapy regimen and rectification of any medication error observed.
