Summary

I am a graduate of Government Medical College,Patiala. I completed my internship in 2014. I had been selected as a Medical Officer for Punjab Civil Medical Services in March 2016. I had cleared Combined Medical Services,UPSC 2017.I have worked as Resident Medical Officer at Fortis Hospital ,Mohali,Punjab for a short period. I was posted in multispeciality wards primarily dealing with inpatients admitted for oncology chemotherapy sessions,pre-operative and post-op patients during their stay in the hospital.

Objective

Looking forward to work with a good hospital to gain more experience and skills as a Medical officer/ Resident.

Work Experience

Duration: 15/03/2016 – 31/07/2016

Job title: Resident Medical Officer

Department: Multispeciality wards

Key Responsibilities:

- Initial assessment and management of every patient coming to the wards, with the help of SMO.
- To carry out bedside procedures like insertion and removal of urinary catheters,Ryle tubes,epidural catheters etc.
- Ensure that the consultant's orders are carried out properly and report any fresh development of the patient to the consultant.
- Attend to all ward emergencies .
- To prepare discharge summaries and death summaries.
- Required to attend local and outstation medical camps when called for.
- Implementation of NABH/ JCI protocols and maintain complete and correct documentation of patient file and records.
