### **Application for the post of Junior Resident**

Respected Sir/Madam,

I am interested in applying for the position of junior resident in your hospital.

Please consider this letter as my application for the said position. I have enclosed my resume for your appreciation of the basic information about me. Based on the internship training skills I have achieved from my institution. I believe that it will give me an advantage to be considered for the position.

An interview with you will give me the chance to explain in detail about my job qualification.

I hopefully awaits a response from your institution for being a part of it.

Thanking you

Your's sincerely
