CAREER OBJECTIVE

To excel in the field of Pharmacy and to be a part of growth-oriented team with a challenging environment where I could learn and successfully deliver solutions on demanding problems.

AREAS OF INTEREST

Clinical pharmacy, Clinical research, Hospital Pharmacy, Drug use Evaluation, Counseling the patients, Auditing of prescriptions, Monitoring Therapeutic drug usage.

ADDITIONAL SKILLS

- Able to counsel and educate the patients on how their drugs work and what to expect while taking the drug.
- Ensuring Medication Safety management.
- Excellent computer skills in word processing, spread sheet and can use software programs to find information about drugs.
- Outstanding interpersonal skills to deal with health care professionals.
- Impeccable written and verbal communication skills and excellent interpersonal skills.

INTERSHIP EXPERIENCE

1. Underwent off-campus internship program for 3 months at *STAR CARE Hospital*, Thondayadu, Kozhikode.

Provide drug information, clinical audit, prescription audit, drug interaction checking, adverse drug reaction monitoring.

2. Underwent in-house internship training at *KIMS Al-Shifa Hospital*, Perinthalmanna .

- Actively participated in ward round along with doctors and other medical professionals.
- Ensured the safe and effective treatment by reviewing the patient treatment charts.
- Monitored Adverse drug reaction, drug interaction and contraindication, thus providing individualized patient care.
- Counseled the patients about the importance of medication adherence in order to obtain the maximum therapeutic benefit and prescription audit for dose.
- Provided drug information as well as generic names of drugs in the Drug Information Centre.
- Patient case file analysis to find medication error.
- Provided a drug information service for other healthcare staff as well as patients.
- Creating drug safety awareness in the hospitals.
