OTORHINOLARYNGOLOGY EXPERIENCE

I have experience working in otorhinolaryngology in broad range of setting from resource limited centre to a tertiary care centre.

- **Otorhinolaryngology Surgical Experience** – I have managed patients with surgical problems in the operative and perioperative period. I have done independent surgeries like tracheostomy , Septal correction , Endoscopic surgeries like Mini Fess and diagnostic biopsies, Endoscopic myringoplasty, endoscopic cauterization, direct laryngoscopy & biopsy and thyroidectomy . I have assisted my senior respected faculty members in numerous ENT-Head and neck surgeries like Thyroidectomy, neck dissection, laryngectomy, maxillectomy ,laser assisted Laryngeal web surgery, Laser assisted tonsillectomy, microdebrider assisted surgeries, tympanoplasty, mastoidectomy and functional endoscopic sinus surgeries.
