Sub: Application for the post of Medical Laboratory Technician

Sir,

I would like to apply for the post of **Medical laboratory technologist** in your reputed organization.

I have done my four years of **Bachelor degree in medical laboratory technology**. Apart from the practical training in the laboratories, I am exposed to several test done in various laboratories like Microbiology, Molecular biology, Histopathology, Cytology, Hematology, Clinical pathology, Blood banking, Cytogenetics and Clinical biochemistry.

With my exceptional skill sets and experience acquired during the course, I am confident that I will do justice to the concerned job and I assure honesty and dedication in the job.

I have herewith attached my updated resume. I am looking forward to work with you.

Yours sincerely,

GREESHMA G
