SKILLS

Audiologist and Speech Language Pathologist

PROFILE • ABOUT ME

An Audiologist and Speech-language pathologist are health care professionals who use technology, creative problem solving, and social skills to identify and treat people with hearing and communication impairments. I am a Postgraduate in Audiology and Speech-Language Pathology. I have completed my Master's degree in Audiology and Speech-Language Pathology from Samvaad Institute of Speech and Hearing, Bangalore & Bachelor's degree from Dr. M. V. Shetty College of Speech and Hearing, Mangalore. As an Audiologists and Speech-Language Pathologist, I am looking forward to establish and provide excellent diagnostic and comprehensive rehabilitative service for persons with disability and help them to communicate and connect better with the world around them.
