Narayana Health is headquartered in Bengaluru, India and operates a network of hospitals across the country. Our first facility was established in Bengaluru with approximately 225 operational beds and we have since grown to 23 hospitals, 7 heart centres and a network of primary care facilities across India and an international hospital in the Cayman Islands. The group now features nearly 5,900 plus operational beds. We believe that the 'Narayana Health' brand is strongly associated with our mission to deliver high-quality, affordable healthcare services to the broader population by leveraging our economies of scale, skilled doctors, and an efficient business model.

Mazumdar Shaw Medical Center, which houses one of India's largest and advanced Cancer Therapeutic facilities, is a 607 bedded NABH Accredited Multispeciality hospital located at Narayana Health City, Bengaluru. The hospital offers medical, surgical and diagnostic facilities and services across different clinical specialties. The hospital is recognized for solid organ transplantation like Kidney & Liver transplants and also offering one of India's largest Bone Marrow Transplant unit. It also tenders expertise over a wide range of medical and surgical specializations viz. Gastroenterology, Vascular surgery, Thoracic surgery, Otorhinolaryngology, Nephrology, Urology, Neurology, Neurosurgery, Paediatrics, Obstetrics & Gynaecology extending its services towards IVF, Psychiatry, Endocrinology, Internal Medicine, Pain and Palliative care, Cosmetic surgery and rehabilitation. Moreover it extends services for many types of cancer including head and neck, breast, cervical, lungs, uro-genital and gastrointestinal. It also offers Robotic surgery to extend the 304321 of minimally invasive surgery.
