[Door no 44, Vellalar street, Mudaliarpet, Pondicherry] -INDIA [605004] Phone: [+919567180931] E-Mail: drvasanth1316@gmail.com

Objective

To excel in the field of Urology. I am more interested in Retrograde intrarenal surgeries, minimally invasive PCNL, Urolaparoscopic surgeries and Renal transplant surgeries

Education

- M.Ch. Urology - Government Medical College, Trivandrum, Kerala, INDIA- 695011 [2016 to 2019]
- E- BLUS certified - European-Basic Laparoscopic Urological Skills by European School of Urology and affiliated by European Association of Urology (EAU) in 2019
- M.S. General Surgery - Government Medical College, Calicut, Kerala, INDIA-673008 [2012 to 2015]
- Internship - Pondicherry Institute of Medical Sciences. Puducherry, INDIA-605014 [2007 to 2008]
- M.B.B.S (Under graduation in medicine) - Pondicherry Institute of Medical Sciences. Puducherry, INDIA-605014 [2002 to 2007]

Medical Registration and memberships

- Registered with the Tamil Nadu Medical Council (No: 84465) and Travancore cochin medical council (No:52266)
- Full member in ASI(Association of Surgeons of India)
- Junior international member in EAU(European Association of Urology)
- Associate member in USI(Urological Society of India)

Skills & Experiences

I have adequate exposure in all advanced and common urological surgeries like

- Open surgeries viz Pyelolithotomy, Ureterolithotomy, Anatomic nephrolithotomy, Pyeloplasty, Simple nephrectomy, Radical nephrectomy, Radical cystectomy, Adrenalectomy, Ureteric reimplantation, Urethroplasty, Cystolithotomy. Endoscopic surgeries viz TURP (transurethral resection of prostate), TUIP (transurethral incision of prostate) TURBT (transurethral

resection of bladder tumor), CLL (cystolitholapaxy), URS (ureterorenoscopy), Retrograde intrarenal surgeries (RIRS). Minimally invasive procedures viz PCNL (percutaneous nephrolithotomy), mini PCNL (mini percutaneous nephrolithotomy), ESWL (extracorporeal shockwave lithotripsy).

- I have assisted adequate number of the following surgeries: Minimally invasive surgeries viz Laparoscopic (both transperitoneal and retroperitoneal approach) of Simple nephrectomy, Radical nephrectomy, Donor nephrectomy, Ureterolithotomy, Pyelolithotomy, Pyeloplasty, Adrenalectomy.
- I have special interest in Uro-oncology and have good command on both open and endoscopic surgeries for various urological malignancies. I am capable of handling urological emergencies of every kind and am quiet proficient in carrying out day care urological procedures. I have good exposure in Renal Transplant surgeries and have actively participated in renal transplant on both donor as well as recipient sides. I have been a part of cadaveric renal transplant team as well.
- Well exposed in academic training of Undergraduate M.B.B.S. students and Post graduate M.S. General Surgery students in theoretical and clinical sessions.

Research works & Publications

- I have carried out dissertation entitled "*Early Post operative Morbidity pattern of Lichtenstein Hernioplasty under Local Anaesthesia*" towards the degree of M.S. General Surgery. The study was conducted under the guidance of Dr. Sreejayan M.P. Professor, General surgery and got published in JMRP (Journal of Medical Research and Practice) in 2017 – FIRST AUTHOR
- R Vasantharaja ,MP Sreejayan | VOL 06 | ISSUE 01 | PP: 28-33. |. Early Postoperative Morbidity Pattern of Lichtenstein Hernioplasty under Local Anaesthesia. Journal of Medical Research and Practice, [S.l.], v.6, n.1, feb. 2017. ISSN 2162-6375. Available at: <<http://www.jmrp.info/index.php/jmrp/article/view/142>>.
- I have carried out dissertation entitled "*C-reactive protein, white blood cell count and neutrophil count in predicting stone passage after medical expulsive therapy for distal ureteric calculi*" towards the degree of M.Ch. Urology. The study was conducted under the guidance of Dr. Venugopal.G Professor & HOD, Urology and submitted manuscript as FIRST and CORRESPONDING AUTHOR for publication in Investigative Clinical Urology journal which is under peer review.
- I have been as Co author (second and third) for 3 original papers which was published in peer reviewed journals.
- Title: Comparison of standard and tubeless percutaneous nephrolithotomy for renal calculi- a prospective randomized control trial: Manu MK, VASANTHARAJA RAMASAMY, Darsan Sadasivan, Sunil Raveendran, Selvam Paramasivam, Venugopal Ganapathy in International Journal of Clinical Trials DOI: <http://dx.doi.org/10.18203/2349-3259.ijct20194653>

- Title: A Comparative study between Retroperitoneoscopic and open Dismembered Pyeloplasty in the Management of Ureteropelvic Junction Obstruction Authors: *Venugopal G, Manu M K, VASANTHARAJA R, Subeesh P, Priyabrata Das, Libu G*
Kcrossref DOI: <http://sci-hub.tw/10.18535/jmscr/v5i8.10>
- Title: A Comparative study between Retroperitoneoscopic pyelolithotomy and Percutaneous nephrolithotomy in the management of solitary large renal pelvic calculi Authors: *Venugopal G, Manu M K, Avinash T, VASANTHARAJA R, Rakhul L R, Selvam P*
crossref DOI: <http://sci-hub.tw/10.18535/jmscr/v5i8.06>

Presentations, prizes and Achievements:

- Presented 6 original papers and 4 posters in various state and national conferences.
- SECOND Prize in Paper presentation "Early post operative morbidity pattern of Lichtenstein Hernioplasty under Local Anaesthesia" at Annual State Conference ASICON 2015, Kerala.
- THIRD Prize in Post Graduate Quiz on KASICON 2014 Annual State Conference.
- THIRD Prize in Quiz competition at UAKON conducted by South Zone Urological society of India in 2018
- INTERNATIONAL: Selected by Urological society of India for Travel fellowship and participated in EUREP (European Urology Resident Education Programme) 2019- Prague, Czech Republic, Europe
- INTERNATIONAL: Oral paper presentation (Original research work) at Urological Association of Asia congress, Malaysia, 2019

Work Experience

- Junlor residency – 2 years in J.I.P.M.E.R. Puducherry (An institute of national importance), INDIA.
- Senior residency- 1 year in Employee state insurance hospital and medical college at Chennai, INDIA in General surgery department.

General Information

- Name: Vasantharaja. R
- Age: 35 years
- Sex: Male
- Marital Status: Married

- Date of birth: 13th February 1985
- Blood Group: B POSITIVE
- Address: NO: 44, Vellalar Street, Mudallarpet, Puducherry, INDIA -695011
- E-mail ID: drvasanth1316@gmail.com
- Phone no: +919567180931

Declaration

I hereby declare that the particulars of information and facts stated above are true, correct and complete to the best of my knowledge and belief.
