#### CLINICAL EXPERIENCE

- *CRRI – Malabar Medical College Hospital and Research Centre (MMCH & RC)*

I have completed CRRI (Compulsory Rotatory Residential internship) at MMCH & RC. The hospital enjoys a heavy workload in all departments with a total In Patient count more than 500 and casuality per day of more than 200 cases. Working here gave me a very rewarding experience personally and professionally, providing me with opportunities to consolidate what I had learned as well as to manage patients independently.

- Attended medical camps organized by various NGOs.
- Volunteered *Seva Bharathi Paliative Care* for a duration of one week

Seva Bharati is a voluntary organization working among the economically weaker sections of Indian society with special focus on socioeconomically marginalized, tribal and indigenous communities. Through its various social welfare activities in the Revenue district of Calicut, Sevabharati has left an indelible mark as an NGO.
