Application for the post of junior resident

Respected sir/madam,

I am interested to apply for the post of junior resident in your hospital. Consider this letter as an application for the same. I have attached the resume for your appreciation of basic information about me based on the internship training skills that I have achieved from my institution. I believe it will give me an advantage to be considered for the position. I hopefully awaits for a response from your institution for being a part of it.

Thanking You

Yours sincerely
