Dear Hiring Manager,
I earned my Degree in Nursing, SI-MET (State institute of Medical Education and Technology) College of Nursing Kerala and during my career I had the opportunity to become acquainted with the fast pace and distinct challenges of working in a large medical facility. I believe that my gentle bedside manner and outstanding attention to detail would make me a strong addition to your team.

I have strong people skills and strive to acquaint myself with each patient's family members and support system to best facilitate an effective long-term care plan that will send patients home with the knowledge and tools necessary to maintain their health at home.
