### Professional Summary

Able to work independently or in support of other members of the team, whilst ensuring that at all times patient care procedures and practices are adhered to. I believe in honesty and I work hard to my very best to cater to the satisfaction of my clients. My main strengths are close observation, friendliness, good communication skills, confidentiality, and keen interest to learn more and keep myself updated with the present trends of radiology to maintain the high standards.

### Skill

- Perform administrative work and quality assurance to facilitate the scheduling of patients and the accuracy and completeness of records in the Diagnostic Imaging Division
- Perform routine diagnostic imaging procedures according to departmental protocol, policy and procedures.
- Perform radiographic examinations using special low dose techniques, position patients, select and set technical factors and adjust equipment parameters taking into consideration physical differences in patients and make exposures necessary for the requested procedure.
- Assure that sterile supplies, local anesthetics, contrast materials, catheters, and other required equipment are present and laid out.

### Clinical experience and internship

#### **St.Thomas Hospital, Chethipuzha ( July 2014 – September 2017 )**

- As part of my Bachelor's program I was working as a technologist under supervision, encountering wide variety of clinical populations, ranging from pediatric to geriatric cases in various departments of St.Thomas Hospital, Chethipuzha, Chanaganacherry, Kottayam (from July 2014 to September 2017).

#### **Vishesh Diagnostic solutions & Hospital Indore, MadhyaPradesh (Oct 2017- Oct 2018).**

- One year of Internship experience in the department of Radio Diagnosis, Vishesh diagnostic solutions & Hospital Indore, Madhyapadesh (from October 2017- October 2018).
