OBJECTIVE

My ultimate goal is to dedicate my knowledge, skill and talent as an Audiologist and Speech Language Pathologist for serving individuals with inherent and developed speech, language, hearing and balance related problems. I would like to obtain a challenging position where I can continue to develop my education and skills as well as utilise my clinical experience to the best of my abilities.

EDUCATION

BASLP (Bachelor of Audiology and Speech Language Pathology)

Amrita Institute of Medical Sciences, Kochi. Graduated in 2021.

(Ranked top 30 in Amrita Admissions Examination)

Higher Secondary Education (CBSE)

Kendriya Vidyalaya, Payyanur. Graduated in 2016.

(Passed out with 87% overall)

PROFESSIONAL SKILLS

4 years of training has enabled me to observe, take part in and learn how to assess, diagnose and treat:

- **SPEECH DISORDERS**
- **LANGUAGE DISORDERS**
- **SOCIAL COMMUNICATION DISORDERS**
- **COGNITIVE COMMUNICATION DISORDERS**
- **DYSPHAGIA**

Additional services that can be rendered:

- **Counselling**
- **Home training programming**

I have also been trained to use various objective and subjective tests to assess and diagnose disorders of:

- **Hearing**
- **Balance**
- **Tinnitus**

Here too **Counselling** plays a big role pre and post assessment.

These are some of the treatment and management options I am familiar with:

- **Hearing Aid Trials and Fittings**
- **Ear Impression taking**
- **Hearing Aid Reprogramming**
- **AVT**

An important protocol for early intervention is **Newborn Hearing Screening** which I have ample experience with.

Overall my experiences have provided me with a sense of newfound mastery over equipments, instruments, materials and myself a clinician in such a way that I feel like I can put my abilities to good use in this wide and promising field.
