BMH is NABH, NAEM accredited and is the 1st ISO9001: 2000 & 14001: 1996 certified Hospital in South India. It is an 800 bedded Super Specialty Hospital with 90 beds in dedicated intensive Care Units.

The emergency department of this hospital is a fully fledged one and as the hospital is located midst of a high rush city, the influx of patients in this department is also very high. This makes me confident enough to assure you that I am capable of managing all sort of acute emergencies encountered by an emergency department. The emergency department is divided into five sections according to the conditions of patients are RESUSCITATION BAY, PRIORITY 1, PRIORITY 2, PRIORITY 3 and FAST TRACK.

- **Hospital** : **Baby Memorial Hospital. Calicut**
- **Job Position** : **Emergency Medical Service**
- **Experience** : **3-1-2018 and still working**
