## ABOUT ME

---

I would like to get into a challenging and productive working environment where I can sharpen my technical skills in order to become a full-fledged officer and thereby able to provide maximum contribution to the Organization. And I would like to obtain a position in a strong, forward thinking, progressive Organization that fully utilizes my skills in my profession and offers the opportunity for career advancement along with the growth of Organization. I am confident that I can comply with the standards, rules and regulations of the organization as soon as I get into the company system.
