Dear Sir,

My name is Vishnu.s and I am a B-Tech graduate in Electrical and electronics engineering. I am seeking for a goal oriented position in a well-established organization and i would like to submit my CV for the suitable post in your company.

I believe i have the necessary skills and experience that would make a valuable addition to your company. I possess 3 years of electrical designing and working experience (India).

Being a solid team player, I cannot only work to tight deadlines, but also have plenty of initiative to deal with unexpected problems. You can be assured that I will always represent the company in a professional and diligent manner when greeting, meeting, and talking to existing and potential clients.

I appreciate your efforts in taking the time to review my credentials and experience. I have attached my CV for your review and I am looking forward to hear from you soon.

Thanking you,

Vishnu s

Enclosure: CV
