Sub: Application for the Post of **Senior Radiation Therapist/ Senior Radiotherapy Technologist.**

Sir,

I would like to apply for the post of **Senior Radiation Therapist/ Senior Radiotherapy Technologist**, in your reputed Organization.

I am now working as a Radiation Therapist at the Department of Radiation Oncology KCCC (Kuwait Cancer Control Center), Al Sabah Medical District Kuwait. I have a very strong basic knowledge in Radiotherapy with a **Four year Bachelor degree in Medical Radiologic Technology**. I started my career in a department with three Linear Accelerators, performing **3DCRT, IMRT, IGRT, VMAT, TSET, TBI, SRS, SRT** and **SBRT**. I have been able to see the excellent quality of patient care, the cooperative multi-disciplinary approach, and progressive techniques that are trademarks in this field. Now I would like to come back to my hometown and work there, I have enclosed my resume along with this.

I believe that I can make a significant and valuable contribution in your firm. I am loyal, dedicated and willing to work hard within a team. Kindly consider my request for the same.

Yours truly,

Vivek M P
