## About Me

Professionally certified diagnostic clinical radiologist graduated from AIIMS Bhopal, with sound understanding and knowledge of clinical aspect, imaging of diseases and basic radiological intervention. Skilled in reporting USG, CT scans, MRI, X-Ray, Fluoroscopic procedures; performing basic interventional procedures and guiding technicians to acquire CT and MR images. Capable team player who can also work independently. Proficient interpersonal communication skills with patients, radiologist, physicians, medical staff and administration. Committed to provide comfortable experience during procedures and to deliver top care to all patients with accurate and detailed interpretations of radiological data.

## Professional Qualification and Affiliation

- **Masters/ Post Graduation**

MD Radiodiagnosis  
All India Institute of Medical Sciences  
(AIIMS) Bhopal, Madhya Pradesh  
Graduated , July 2022.

- **Bachelor/ Under Graduation**

MBBS  
T.D. Government Medical College  
Vandanam, Alappuzha.  
Graduated October 2017  
First Class.

- **School Education**

Christ Nagar Higher Secondary School  
Trivandrum, Kerala.  
Graduated March 2011  
Marks-95.2%

## Work Experience and skills

July 2019-July 2022  
Junior Resident(Academic)  
AIIMS Bhopal, India.

Worked as Junior Resident under post-graduation program in All India Institute of Medical Sciences, Bhopal for a period of 3 years from July 2019-July 2022.

Performed and learnt skills of doing basic ultrasound, advanced ultrasound imaging such as Elastography, USG-CT/MRI fusion imaging and lesion localization, Obstetric USG, Anomaly/Target scan, Musculo-skeletal USG.

Confident in reporting Mammograms, breast ultrasounds and adept in guided biopsies of lesions.

Confident in reporting Plain CT, Contrast enhanced CT scans, CT Angiography, CT Perfusion imaging, Coronary CT angiography. Skilled in modulation of CT acquisition techniques tailored for individual patients and part of body scanned.

Confident in reporting basic MRI and advanced MRI functional imaging. Skilled in modulation of MR sequence acquisition techniques tailored for individual patients and parts of the body scanned.

Underwent Interventional Radiology training for 6 months during residency period, performing non-vascular interventions, biopsies and assisting in vascular interventional procedures.

### Bursaries, Prizes and Awards

- Research Paper titled “Accuracy of Visual Cognition in MR Targeted Biopsy In suspected Prostate Malignancy” was awarded the Gold Medal for best research Paper presented at Indian Radiological and Imaging Association(IRIA), MPCON in 2021
- Education poster on “MR Imaging of Brachial Plexus with emphasis on 3-D Imaging” was awarded the O. P Tiwari Gold Medal Award for the best poster presented in Indian Radiological and Imaging Association(IRIA), MP State Branch in 2021.
- Educational Poster on “Mapping the MAPCAS: What the surgeon needs to know” was awarded Certificate of Merit for best poster presented in IRIA MP State in 2021.

### Publication

- A Pictorial essay on “MR Imaging features of Sino-nasal Mucormycosis following COVID infection” has been submitted to the Korean Journal of Radiology and is under consideration for publication.

### Paper/ Poster Presented in Conferences/ CME.

Sl.		Topic	Conference	Date	Venue	Author	Co-Author
1	Paper	Accuracy of Visual Cognition in MR Targeted Biopsy In suspected Prostate Malignancy	MPCON	18-19Dec, 2021	Bhopal	Dr Anitha	Dr Rajesh Malik Dr Radha Gupta
2	Poster	Mapping the MAPCAS: What the surgeon needs to know	MPCON	18-19Dec, 2021	Bhopal	Dr Anitha	Dr Rajesh Malik Dr Radha Gupta
3	Poster	MR Imaging of Brachial Plexus with emphasis on 3-D Imaging	MPCON	20-21 March 2021	Indore	Dr Anitha	Dr Rajesh Malik Dr Radha Gupta
4	Poster	Dose Reduction techniques in HRCT for follow up of COVID pneumonias.	Aster Medical Imaging Symposium	23-24 Nov 2021	Online	Dr Anitha	Dr Rajesh Malik Dr Radha Gupta

### Conferences/ CME Attended

1	Breast Imaging and Intervention	January 2020	AIIMS Bhopal
2	CT Buzz Conference	November 2021	Online, Mumbai
3	Sonobuzz Conference	January 2021	Online, Mumbai
4	Global Radiology Conclave	October 2021	Online, Delhi
5	Cardiovascular Radiology Educational Forum	November 2021	AIIMS, Delhi

## Management and Leadership

Has taken part in organising conference and CME held in my department. Preparation of scientific presentation in departmental seminars.

## Language and Information Technology Skills

Proficient in English, Hind and Malayalam.

Competent in using Microsoft Word/ Microsoft Power point/ Microsoft excel/ PACS

## Extracurricular Activiteis

Taken part in marathon and cycling activities in creating awareness of TB and hygiene among general public.
