---

## Projects

- **Competency mapping and its impact on organisational effectiveness**  
The study focussed on the employees at V KC group of companies, Calicut. The study is aimed to identify significant competencies required for the employees in the organisation. It also identify the important variable of organisational effectiveness affected by competencies of employees.
- **Employee engagement**  
At UNIMONI financial services limited, Ernakulam.
- **Performance Appraisal**  
The study on performance appraisal techniques was conducted among the employees of Kitex limited Kizhakambalam. By the study, it is my attempt to find the present performance appraisal of the employees of the company. The study helps to identify the different methods of appraisal system and its proven effectiveness on the work force.
