

## Anjitha Dinesh

Vrindavan (H), Sanyasioda p.o, Balagram, Idukki  
7902503589 | anjithadinesh012@gmail.com

### Objective

---

To utilize my technical skills and provide a professional service to customers by applying and honing my knowledge and working in a challenging and motivating working environment.

### Experience

---

- **St John's hospital, kattappana** 21-09\_2020 - 20-10-2020  
Pharmacist trainee  
Currently I am working as a pharmacist in Neethi community pharmacy, Thookupalam

### Education

---

- **St John's College of pharmaceutical sciences and Research** 2022  
Bpharm  
Expected to be above 70 %

### Skills

---

- I am just a beginner in this field and I need more opportunities to improve my skill. I have completed hospital practice for one month as part of my curriculum and currently working as a trainee in community pharmacy

### Projects

---

- **Formulation and evaluation of topical antimicrobial formulation**  
It was a group project done for evaluating whether there was any antimicrobial effect on punica granatum peel extract. This project was successful and need further studies for evaluating each aspects.
