ABOUT ME

As a young energetic pharmacy professional, I aspire to be a part of a leading organization that fully utilizes and improves my knowledge and abilities towards the betterment of health care system through continuous learning process and maximum dedication.

SKILLS

- * Multitasking and efficiency skills
- * Leadership Quality
- * Critical thinking
- * Time management
- * Problem-solving skills
- * Communication skills
- * Filling prescription orders
- * Confidence building
- * Organization

WORK EXPERIENCE

I have completed my internship training for the period of 200 hours at Sajan Medicals, Rajakumary from 02/11/2021 to 23/12/2021. Along with that, i learned the skills necessary to manage a pharmacy.

Moreover, i assisted the pharmacist manager in efficiently managing pharmacy workflow.

In addition, i have collected solidified medical history information from patients to provide best and most effective medical advice.

PROJECT

I have completed my final year B pharm project in the subject Pharmacology on 'Effect of Passiflora edulis fruit pulp extract on nitrite level in a mouse model of chronic stress.'

DECLARATION

I hereby declare that all the information given above is true and correct to the best of my knowledge.
