About Me

Respected sir/madam

I have graduated BDS from Indira Gandhi institute of dental sciences on September 2022 (Batch of 2016)

I am now seeking for a good job in and around Trivandrum.

I am confident in doing basic procedures and also in doing Root canal treatment till premolars, Tooth cutting, Orthodontic treatment procedures, Disimpaction etc

I think the exposure given by the college and the evening clinic helped me a lot to improve my procedural capabilities and will do the same with due respect and quality
