## PROJECTS

### **Amrita Kiranam Project**

Become a part of Amrita Kiranam Project by District Child Protection Unit Thiruvananthapuram Children living in child-care institutions may be more disadvantaged owing to their limited exposure and social background. The future for them, remains a question mark more often than not.

Looking beyond providing food and schooling to ensure livelihood opportunities for them once they move out of the homes, the District Child Protection Unit (DCPU) under the Women and Child Development Department has plotted Amrita Kiranam for the children living in 88 childcare institutions as per the juvenile justice Act in the district.

### **Minor project conducted to study the awareness of child act among secondary school students**

It's a minor project did as a part of B.Ed curriculum. Aim of the project was to check whether the secondary school students have enough awareness about child act.
