Skills

Problem solving, Decision making, Punctuality, Good verbal and communication skills, Time management, Self motivated.

Projects

Prevalence of covid 19 among adults in Kerala

Covid 19 is a global pandemic that affected worldwide. There has been considerable controversy regarding susceptibility of adult (19-59 years) to covid 19. Using the data on Corona viruses cases in Kerala, we collected details of corona patients from the different locations of Kerala during the month of October and November.
