About Me

Keep your dreams alive. Understand to achieve anything requires faith and belief in yourself, vision, hard work, determination, and dedication. Remember all things are possible for those who believe": Mr. Gail Devers.

I was a practicing lawyer from May 2018 to December 2019 in the firm e-attorneys LLP, Empire Building, Old Railway Station Road, Ernakulam. I filed litigation for my clients and got favorable orders, decrees, and judgments from various Tribunals, Courts, and the High Court of Kerala. Thereafter I was selected as a Law Research Associate for the recently launched National Company Law Tribunal, Kochi Bench in the First Batch of Law Research Associate for the Kochi Bench from the ALL-INDIA INTERVIEW PROCESS.

As a Law Research Associate, my job is to assist Hon'ble Members in the Tribunal and prepare Tribunal Orders for the cases. For doing my job easier and more smoothly I need to be updated with the various Corporate Laws like the Companies Act, 2013, Insolvency Bankruptcy Code, 2016, various IBBI Regulations, and recent amendments in Corporate Laws.
