

# Manju Manmadhan

Senior Consultant Anaesthesiology and Neurocritical Care

## PROFESSIONAL SUMMARY

I am a consultant anesthesiologist and neurocritical care specialist with 11 years and 7 months of experience. I have a proven track record of providing excellent patient care and have received positive feedback from patients and colleagues alike. I am skilled in both general anesthesia and neurocritical care, and have a strong interest in research and teaching. I am looking for a position that will allow me to continue to provide excellent patient care and contribute to the advancement of my field.
