OBJECTIVE

A Graduate qualified in Microbiology with demonstrated ability of handling various roles in the field of General Microbiology. A self-motivated, confident individual, a believer of hard work on and off the work, dedication and teamwork is my ethics. Lastly, looking forward to take new challenges and secure position in the field of Microbiology where I can contribute to overall growth of the organisation, and develop my existing skillset.

SKILLS

- Bacteriology, Serology, Mycology- sample processing techniques
- Staining techniques
- Culturing techniques
- Antibiotics sensitivity testing
- Widal test, RPR test, ASO test, RA test, RF test, Dengue card, Lepto card and Scrub typhus card
- All basic instruments -
- Fully Automated Microbial detection System - BacT/ALERT 3D 240
- Protein Analyzer - AGAPPE MISPAi3
- Fully Automated Immunoassay System - Abbot, Architect i1000SR
- Automated immune analyzer - C Disease, Chorus trio
- Fully Automated Immunoassay analyzer - Biometieux, VIDAS PC

LANGUAGE

- ✓ English - Fluent
- ✓ Malayalam - Native
- ✓ Tamil

EXPERIENCE

- Rajagiri Hospital, Aluva, Kochi** **December 2022**
Microbiologist Trainee - Present
- Performed sample processing in Bacteriology, Serology and Mycology.
 - Instruments handled includes - Fully Automated Microbial detection System, Protein Analyzer, Fully Automated Immunoassay System, Automated immune analyzer, Fully Automated Immunoassay analyzer.
- MDX Medical Laboratory and X-rays, Kanhangad** **December 2021 - January 2022**
Internship

EDUCATION

- St. Berchmans College, Changanaserry** **2022**
Msc Microbiology
Grades - **78.32**
- St. Pius X College, Rajapuram** **2020**
Bsc Microbiology
Grades - **74.09**
- Holy Family HSS, Rajapuram** **2017**
Higher secondary
Grades - **75**
- Ursuline Public School, Kanhiradukkam** **2015**
Matriculation
Grades - **84**

PROJECTS

- **Augmentation of neuroprotective effects of Acorus calamus using Lactobacillus acidophilus fermentation- in vitro study.**
Center for Research on Molecular Biology and Applied Sciences, Thiruvananthapuram
- **Enumeration and identification of Bacteria from pineapple Juice**
St. Pius X College, Rajapuram

ACHIEVEMENTS & AWARDS

- ✓ Medical Coding
- ✓ HACCP Internal Auditor Training conducted by FAMS Consultants.
- ✓ Highfield Level 3 Award in HACCP for Food Manufacturing.
- ✓ Chemical Hygiene Training
- ✓ Workshop on Bioinformatics

DECLARATION

I hereby declare that the particulars mentioned below are true to the best of my knowledge and belief.
