Company Profiles

SCMS School of Engineering & Technology

The SCMS School of Engineering & Technology (SSET), promoted by the SCMS Group of Educational Institutions, has been in the forefront of providing quality professional education in Engineering & Technology since 2001. The SSET has established state of the art facilities on a sprawling 29 acre campus at Karukutty in Ernakulam District. SSET is one among the first ten colleges to be set up in the State under the private self-financing scheme. Right from the beginning SSET concentrated on providing quality education in a highly disciplined environment. This has paid rich dividends over the past years as is evident from the preference of students to join the College.
