OBJECTIVE

Seeking challenging environment that encourage learning, creativity and gives exposure to new ideas and stimulate personal and professional growth. Looking forward to making use of my abilities to work quickly and efficiently as a pharmacist to help patients with medications and other health care products

EXPERIENCE

Akshaya Community Pharmacy Muthukulam Alappuzha kerala
PHARMACIST TRAINEE Duration 23/06/2022- Present

My responsibilities include dispensing medicines as per the prescription and assisting customers with OTC drugs, patient counseling, stock handling and giving solutions to various patient queries with the help of E-learning. Gave me the opportunity to improve my communication skill and develop professional skill.

P K Kunju Sahib Memorial Taluk Hospital Kayamkulam Alappuzha Kerala

PHARMACIST TRAINEE Duration 02/03/2021- 02/04/2021

The internship program under the supervision of six registered pharmacists helped me to achieve performance standards and demonstrating skill. Assigned responsibilities were dispensing prescription, resolving prescription queries, stock management.
