KARTHIKA SAJAN

Ernakulam, Vennala

OBJECTIVE

Passionate budding Doctor, brave decision maker who loves to heal minds of suffering by curative tones and touch. A fast learner and one that is always ready to take on new challenges and adept at cultivating, managing, and leveraging client relationships. Looking forward to residency training program to enhance my clinical knowledge and keep myself updated with recent technique and maneuver and provide needful to serve the needy in society with all my potential.

SKILLS

Accomplished 1 year of House Surgency at Malabar Medical college Hospital and Research Centre, Calicut with sound medical knowledge and knowhow.

Major Areas of Work: Managed emergency cases by providing immediate and basic lifesaving treatment and care

- Diagnosing the disease as per the symptoms
- Observing and examining patients based on symptoms and proceeding with relevant investigations
- Trained various diagnostic methods and upskilled with medical equipment
- Periodically monitoring the patients and observing their improvement and making reports.
- Helping other medical staff in performing their duties.

EXPERIENCE

Malabar medical College and research centre

April 2020 - May 2021

House Surgeon

I have one year experience as intern at Malabar Medical College. I completed my internship on May, 2021. Working here gave me a very rewarding experience personally and professionally providing me with opportunities to consolidate what I had learnt as well as to manage patients independently.

Palakkad institute of Medical Sciences, walayar, Palakkad

01/06/2021 - 30/06/2021

Resident Medical Officer

I worked as a covid duty RMO at PIMS, Walayar, which was a tertiary covid care centre with 150 beds, ICU and ventilator facilities.

Ambalamugal government covid hospital (under NHM)

13/07/2021 - 28/02/2022

Medical officer

Worked as a medical officer in Ambalamugal government covid care centre, which is a dedicated covid care centre under NHM with 60 ICU beds and Non invasive ventilator facilities.
