SKILLS

- Proven and effective communication skills with patients, families, and other medical professionals.
- Leadership abilities to lead and manage practice staff in providing patients with quality care.
- Highly organized, which allows me to keep appointments, records, and patient details in order.
- Able to quickly and properly diagnose patient conditions in emergency situations to ensure they receive the treatment they need as soon as possible under controlled conditions.
- Detailed oriented, which reduces mistakes made in patient treatment, diagnosis, and medication administration.

HOBBIES AND INTERESTS

I enjoy reading, listening music, going for long drives. I've recently taken up meditation, which has improved my focus at work and my personal relationships.
