PERSONAL QUALITY

- Enthusiasm and personal drive.
- Willingness to learn and implement.
- Flexible and Responsible .
- Quick adaptability to any environment.
- Self motivating and hardworking.
- Capability of understanding and excute modern techniques quickly.

PROFILE

I believe that I can progress only by contributing to the growth of the organisation for which I work. So i look forward to working in a reputed organisation, where I can utilize my knowledge and discharge the responsibilities assigned to me in the best possible manner, which can result in a relationship of mutual development.

EXPERIENCE

BIOLINE LABORATORIES

2018-Present

Microbiologist

- Good Laboratory Practice (GLP)
- Microscopy
- Staining Techniques
- Sample processing
- Biochemical identification of potent pathogens.
- Reporting of clinical specimens
- Internal and External QC

JANDJ MINERALS PVT LMT

2017-2018

Microbiologist

- Performed standard microbiological examinations of water samples .

EDUCATION

- M.Sc, Microbiology from Hindustan College Of Arts and Science ,Comibatore under Bharathiar University Tamil Nadu with 76%(2014-2016).
- B.Sc; Microbiology with Nanotechnology from Nehru Arts and Science College, Coimbataore, Under Bharathiar University Tamil Nadu with 73% (2011-2014)

Languages

- English
- Malayalam
- Tamil
- Hindi

Personal Details

Date of Birth : 12/02/1993

Marital Status : Single

Nationality : INDIAN

Area Of Interest

- Medical & Pharmaceuticals
- Applied Research & Development
- Quality Control
- Food Industry

Reference

- Dr. Sriram (Head of Microbiology Department, Bioline Laboratory)
Mob: +91 87606 78545
- Dr. Priya Balakrishnan (QC Head Bioline Laboratory)
Mob: +91 94431 10484

Extra Curricular Activities

- Participated in National conference on "CURRENT TRENDS IN ADVANCED BIOMEDICAL TECHNOLOGY (CTAB-2011)
- Participated in MICROMEET National Conference on "INNOVATIVE APPROACHES IN BIOSCIENCES
- Attended two days workshop on "FINGERPRINTING TECHNIQUES".

Project Details

Topic: ANTIOXIDANT, ANTICANCEROUS & ANTIMICROBIAL ACTIVITY OF *Oroxylum indicum*

Guide: Mr. ARUN K

Assistant Professor,

Department of Microbiology

Hindustan College of Arts and Science, Coimbatore,
Tamil Nadu

Summer Internship

- Summer training in St. Joseph Hospital, Mukkam Calicut.
- Add on Course in "Advanced Molecular Biology Techniques."

Certificates

- Attended a workshop on "EMERGING TRENDS IN BIOPROSPECTING" organized by PG and RESEARCH department of Microbiology of Hindusthan College of Arts and Science Coimbatore.
- Participated in the CME PREVENTION-2022 "Hospital infection control-Need of the hour" conducted by MEITRA HOSPITAL, Kozhikode, Kerala.

Declaration

I, Santhi Jose, hereby declare that the above-furnished information is true to the best of my knowledge and belief.
