Professional summary

I am a Registered nurse who graduated in 2018 with strong experience in delivering quality care to patients. I am very professional with 2 years of practice in Operation theatre (Neuro and Spine), triage, and pre and post-operative care in Manipal Hospital Bangalore.

The Manipal Hospital is the best Multi-specialty Quaternary care facility in Bangalore India with a 600-bed capacity set up in 1991.

I have strong knowledge of medicine, pharmacology, and standards of care in the hospital setting. I am a caring and reliable person with a reputation for building a great rapport between medical providers and patients. I am committed to making patients more informed and comfortable during their care.

I have demonstrated that I have the prioritization skills needed to organize my workload effectively believe in teamwork and I am a good team player. Furthermore, I am proficient in evaluating the patient's condition and devising care plans that best suit each patient. I have a profound ability to analyze situations and apply critical thinking, along with good problem solving, organizational and leadership skills.
