TO WHOMSOEVER IT MAY CONCERN

This is to certify that Miss **GREESHMA P** worked as **clinical perfusionist** in our hospital from 15.10.2019 to 31.05.2021. This is a major Cardiothoracic Centre in a 3000-bed government medical college hospital in North Kerala, India doing almost all congenital and acquired cardiac and general thoracic cases.

More than 750 open heart procedures including adult and pediatric are done every year. She is proficient in perfusion of all cases and has carried out more than 650 on pump cases independently. She is well trained in all aspects of extracorporeal perfusion with respect to routine cardiac surgery and cases which require special need for perfusion. She is well versed in management of IABP Machine, ventilators and other sophisticated gadgets routinely used in cardiac surgery. She has knowledge and experience in the use of ECMO. She is reliable, hardworking, intelligent and sufficiently skilled and is always eager to improve herself. She will be an asset to any institution she is taken in to.
