

Curriculum Vitae

Dr. APARNA G

MBBS (JIPMER), MS ENT (JIPMER)

PERSONAL DETAILS

Full name : Aparna G

Gender : Female

Date of birth : 16th May 1994

Permanent Address : “Krishnageethi” , Thottungal,
pazhayakalam, West yakkara,
Palakkad, Kerala- 678014, India

Telephone : 8110086710

Email : aparna234@gmail.com

Registrations : TNMC, India

PERSONAL STATEMENT

I am an enthusiastic and energetic young ENT surgeon with a keen interest in the field of Endoscopic surgeries, especially rhinology. Now, guided by my professional and personal interests, my next goal is to join a tertiary level teaching institute because I strongly believe that such an opportunity would help me enhance my surgical skills and improve my knowledge.

I aim to learn continuously and keep improving and try to be a valuable member of the team wherever I work. I am looking forward to work hard alongside my fellow colleagues, working with a varied patient population and seeing a diversity of presentations. I am greatly interested to learn from the other experienced otolaryngologists within the health system. Moreover my aim is to use my experience in multiple domains including formal teaching, clinical governance, audit, research, etc which can be imparted to my colleagues and juniors in the hospital.

EDUCATION AND QUALIFICATIONS

2013-2019: **Bachelor of Medicine and Surgery(MBBS)** course from **Jawaharlal Institute of Post Graduate Medical Education and Research(JIPMER), Pondicherry, India.**

2020-2023: **Post graduation (Master of Surgery-MS ENT)** residency course from **Jawaharlal Institute of Post Graduate Medical Education and Research(JIPMER), Pondicherry, India.**

PROCEDURES PERFORMED & ASSISTED

PERFORMED

Examination under microscope&

suction clearance

Oto- endoscopy

Video laryngoscopy (rigid & flexible)

Diagnostic nasal endoscopy (rigid & flexible)

Tracheostomy tube care

Punch Biopsy

Dix-hallpike & Epley's manoeuvre

Direct Laryngoscopy and Biopsy (under LA/GA)

Torn lobe repair

TCF closure

Tracheostomy (Emergency & Elective)

Incision & Drainage of neck abscess (under GA/LA)

Adenotonsillectomy

Myringoplasty

Septoplasty

Cortical mastoidectomy

Middle meatal antrostomy

Antral wash

FESS (under GA/LA)

Endoscopic Debridement of sinonasal mucormycosis

Inferior partial maxillectomy

MLS & excision of polyp / biopsy

Hemi Thyroidectomy

ASSISTED

Cochlear Implantation (Posterior tympanotomy approach) Canal wall down mastoidectomy

Facial nerve decompression Total Thyroidectomy

Endoscopic transnasal transsphenoidal surgery for pituitary adenomas

Wide local excision & Modified Radical Neck dissection

Superficial / Total Parotidectomy

Endoscopic CSF leak repair

Endoscopic excision of JNA Tracheal resection & anastomosis

Total Laryngectomy & Primary TEP insertion

Trans-oral Robotic surgery for oropharyngeal malignancies

INTERNATIONAL PUBLICATIONS

- 1)** Gopalakrishnan, A., Thangavel, S., Chowdhary, S., & Alexander, A. (2022). Cochlear Implantation in a Profoundly Deaf Child with Cystic Leukoencephalopathy without Megalencephaly. *The Journal of Laryngology & Otology*, 1-14.
- 2)** Aparna, G., Alexander, A., Sivaraman, G., & Kalaiarasi, R. (2022). Temporary obturator using high-density polyurethane foam following maxillectomy during the coronavirus disease 2019 pandemic. *The Journal of Laryngology & Otology*, 136(2), 173-175.

RESEARCH

I did my PG dissertational research on the topic – A descriptive study on anatomical variations of sphenoid sinus and its role in determining exposure of sella in patients undergoing endoscopic endonasal transsphenoidal surgeries in Indian population from the year 2020-2022, in JIPMER, Pondicherry.

PARTICIPATION IN WORKSHOPS AND CONFERENCES

S.NO	TITLE	MONTH-YEAR
1.	Larynxcon 2020 on Preservation and Rehabilitation in Laryngectomy conducted by RCC (Regional cancer centre),Trivandrum	June 20,2020
2.	73 All India Temporal Bone Dissection course by KKR E.N.T hospital, Chennai	19 th and 20 th February, 2022
3.	CME on proton therapy for improving outcomes in head and neck cancers. (AOI & Apollo hospital),Pondicherry	June 5 ,2022
4.	Delegate in Kurinji ENT CON (organized by Tamilnadu AOI), Kodaikanal	August 19,20,21, 2022
