## PROJECTS

### Chemical Industries Portal

Chemical Industries Portal

The project entitled "CHEMICAL INDUSTRIES PORTAL" computerizes all the manual activities in the existing site. The project helped to analyze and design a web-based site. In the "CHEMICAL INDUSTRIES PORTAL", we can add, view, update and delete the details about the chemical industry. The project was completed on time and is found working effectively under all circumstances that arise in the real environment using the facilities of ASP.NET, the software has been neat and simple manner.

I worked as a team coordinator and generated two modules in the
