PROFESSIONAL SUMMARY

As an MBBS graduate, I am eager to put my medical education into practice and gain experience in the field. During my CRRRI at Amrita Institute of Medical Sciences, I have had the opportunity to work in and explore many specialties and assist prominent doctors. I have a sharp eye for detail and I am committed to providing the best possible care for my patients. My good communication skills allow me to effectively communicate with patients and their families to ensure their understanding of their medical condition and treatment plan. I am also a fast learner, which will allow me to quickly adapt to new environment. My strong work ethic, dedication, and ability to work independently make me an ideal candidate.
