### Profile

Seeking for an opportunity to work and study at a reputable university hospital & to enhance my career where I could master my medical skills and broaden my knowledge as well as contribute to the progress of the hospital to the best of my capabilities.

### Academics:

- M.B.B.S graduate (2014 to 2020) from Malankara Orthodox Syrian Church, Kolenchery, Cochin, Kerala, India
- Graduated high school as AP Scholar with Honors Award (College Board, USA) from International School of Choueifat, Ras Al Khaimah, U.A.E affiliated to:
  - College Board, USA
  - University of Cambridge, UK
  - Pearson Educated Ltd, UK

### Internship:

- MOSC Medical College, Kolenchery (November 2019 to November 2020) – registered under Kerala University of Health Sciences.
- Board certified by Travancore Cochin Medical Councils, Trivandrum, Kerala, India.

## Key Skills

- English Language IELTS 8.0 overall
- Strong knowledge of Microsoft office and related programs
- Primary patient care, chronic diseases management
- Diagnosis & prognosis
- Test results explanations & patient education on appropriate healthcare
- Treatment plan development
- Life support

## Training:

1. Worked in various departments of the hospital
2. Interviewed patients & assisted in clinical examination, diagnosis & treatment of patients
3. Participated in clinical rounds & ward visits for patient wellness
4. Assisting senior doctors for examining patients & providing primary care
5. Maintenance & review of medical records (OP reports, test results, consent forms, preadmissions) both electronically & manually in various departments for accuracy & completeness.
6. Built rapport and close relationships with patients especially those with vulnerabilities to ensure a level of trust that was built allowing full disclosure of their healthcare needs
7. Maintained a high level of medical ethics particularly regarding patient confidentiality and sensitive circumstances within family and community groups
8. Monitoring Intensive Care Unit patients
9. Performed & assisted in diverse medical & surgical procedures.
10. Provided guidance on treatment compliance & vaccinations (when applicable) to prevent disease.
11. Patient Education

## Strengths:

- Good communication & organization skills
- Good theoretical & practical knowledge
- Polite, disciplined
- Confident, hard working
- Good bedside manners
- Empathetic & courteous

I hereby declare that the information given above is true and to the best of my knowledge.
