Management Skills decision making, team communication

Communication Skills public speaking, active listening

EXPERIENCE

Oct 2022 to Apr 2023 Yenepoya Medical College Hospital

Biomedical Trainee service and maintenance

PROJECTS

Project Name: Dry Hand Washing Machine By Fog Disinfection

Role: Member Team Size: 8 Project Duration: 1 Day

Project Detail In this project. Dry hand washing machine by fog disinfection. After 5-15

seconds of water fog exposure the soap on users hand is washed down with the fog. This requires less than 95% of water that would be required in traditional tap based hand washing. The machine consists of a fan to drive in

air that is needed to drive the fog into handwash chamber.
