### OBJECTIVE

An able, enthusiastic, skilled, hard-working, dedicated Physician Assistant aiming to use my skills and strengths to support the mission and goals of the hospital I join. I have the ability to collaborate professionally with other healthcare professionals to meet the needs of the patient. Seeking a position in innovative practice to add a motivated and compassionate Physician Assistant.

### WORK EXPERIENCE

#### AT STUDENT PERIOD-3 YEARS

##### TIRUNELVELI MEDICAL COLLEGE HOSPITAL

As a part of curriculum , I had undergone monthly clinical postings in various departments including OPD POSTINGS, GENERAL MEDICINE, NEUROLOGY, CARDIOLOGY, RESPIRATORY MEDICINE, UROLOGY, CTS AND GASTROENTEROLOGY.

#### INTERNSHIP(2022-2023)-1 YEAR

##### TIRUNELVELI MEDICAL COLLEGE HOSPITAL

During this period, I was posted in various departments including GENERAL MEDICINE, SURGERY, PAEDIATRICS, ICU, EMERGENCY, CARDIOLOGY, ANESTHESIA AND CTS.

- Assisted Physician during WARD ROUNDS and non-surgical invasive procedures. Prepared 500+ DISCHARGE SUMMARIES.
- Expertise in procedures like drawing blood samples, IV LINE INSERTION, ASCITIC FLUID TAPPING, NG TUBE INSERTION, URINARY CATHETERIZATION and taking ABG blood samples.
- Assisted during ANGIOGRAM. Interpreted investigations like ECG, CHEST X-RAY, ECHO AND CT-SCAN.
- Skillfully managed patients in ICU and assisted during ENDOTRACHEAL INTUBATION. Performed BCLS and ACLS.
- Observed and assisted during OGD scopy and COLONOSCOPY. Assisted during LABOR.
- Expertise in STERILE DRESSING, managed POST-OP PATIENTS. Done SUTURING and SUTURE REMOVAL.
- Documented each patient record. Explained and counselled about procedures and their ongoing treatment plans.
- Ordered and followed up all diagnostic tests deemed relevant to care.
- Assessed patient needs and developed effective treatment plans in collaboration with the consulting physician.
- Delivered quality care to the patient and the surrounding environment.
