

ANJU JOLLY

To secure a challenging position where I would be able to utilise my skills into it full potential. I am enthusiastic, hardworking with a high concern for the welfare of human being. AS a part of my career enhancement I would like to pursue it, were in I can develop further my skill, knowledge and attitude. I believe that there is greater opportunity waiting for me, Where I can be able to realise my dreams, at the same time were a professional development can take place.
