

# Dr. Shawna N Simmy

## DOCTOR

### PERSONAL INFO

I am a doctor fresh out of university, looking for new prospects in life while I prepare for my NEET PG. I completed my compulsory housemanship rotation (internship) in April 2022. I have co-penned "Clinical Profile of Dengue Patients Admitted to Government Hospital in Mangalore", a research paper.

### EDUCATION

- **MBBS** 2016-2022  
*Kasturba Medical College (Manipal)*
- **HSLC** 2015  
*Chinmaya Vidyalaya Vaduthala*

### EXPERIENCE

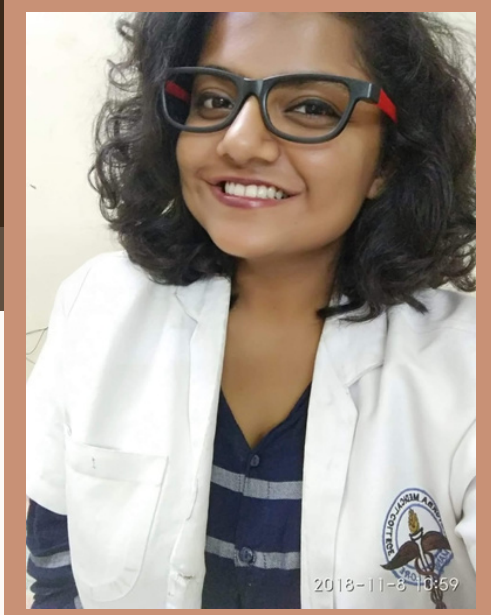

- **Compulsory housemanship rotation in Mangalore GWH/LGH** Apr 2021- Apr 2022

### RESEARCH

- **Clinical Profile of Dengue Patients Admitted to Government Hospital in Mangalore**  
*Assessed the sociodemographic and clinical profile of dengue fever cases at the hospital.*  
*Evaluated the trends regarding the incidents of dengue fever.*  
*Assisted the outcome of treatment.*
- **Clinical Case Report-Poster Presentation on Waardenburg Syndrome, a rare genetic Syndrome in JIPMER, Pondicherry**
