#### **PROFILE**

I am a Post Graduate student who has completed a Master of Social Work, with a specialization in Medical and psychiatry. I would like to get an opportunity to start a career in the field of social work where I can place my talents and abilities at the service of especially the suffering humanity as a professional caregiver,

I am mainly interested to work in a child welfare, medical and psychiatric setting. I am passionate about working for the welfare and development of patients and would like to work in a multidisciplinary team.

I am looking forward to a career opportunity in your esteemed organization to gain more knowledge, upgrade myself and give my active service to that section of humanity that needs compassionate care. You can count on me as I consider myself a very responsible and other-oriented person.
